

Family Declaration

We break every word curse, spell, and lie of the enemy over our lives and our family by the power and authority of the Lord Jesus Christ.

We break off the spirit of envy, jealousy, strife, division, sabotage, gossip, intimidation, infirmity, disease, fear, heaviness and depression aimed at us and our family by the authority of the Lord Jesus.

We command every spirit of darkness out of our home and away from us, our family in Jesus name.

We come out of agreement with every lie that we have believed and we embrace the truth of the word of God and the power of the resurrection.

We draw a bloodline around our family, health, finances and future. We declare that they will be filled with healing, promise and blessing.

We loose a spirit of peace and trust you Lord to protect us, our hearts, our emotions and our family.

We trust you Father and believe that you are good and desire good for us!

We take hold of all the benefits of the promises given to us through Your word and the blood of Jesus. We receive your full redemption for our lives, forgiveness, wholeness, strength, health and sufficiency.

We receive your favor, your blessing, your healing, your mercy, your grace, your goodness, your peace, your authority over the enemy and your power for life and ministry.

In Jesus name!
